Why at VU?

Permanent Green Campus
Honorable Prime Minister Sheikh Hasina unveiled the foundation stone plaque of Varendra University Permanent Campus on 14 September 2017. At present the education program is going on in the permanent campus of Varendra University with modern facilities.

State of the art Library
Varendra University Library rich in books, e-books and journals required by the students, which accelerate the academic career of the students along with the knowledge acquisition.

Laboratory
Varendra University has state of the art laboratories for CSE, EEE, Pharmacy and JCMS departmentS.

Transportation Services
Varendra University also has its own transport facilities like the leading institutes. This transport system is constantly engaged in transporting students to and from the campus away from the campus and from remote areas around the district.

Career Center
Career center offers various training besides English and Computer. The Career Center provides our graduates with the training they need to meet job demands.

American Corner Rajshahi
American Corner Rajshahi, an information center of the US Embassy (located in Dhaka), provides information services on American history, culture, society, literature, art, government, politics, education, commerce and many other topics of America.

ICT
Varendra University is Rajshahi's first fully digital university. VU has technology-based education facilities with advanced computer labs, education-ERP and Wi-Fi facilities.

Co-curricular Activities
Varendra University conducts regular sport and cultural events for the mental wellbeing of students.
